## State Auditor & Admin Virtual Q&A on September 10, 2024

Our next Q&A for UCR state auditors and administrators will take place Tuesday, September 10. This forum will help answer your questions on auditing issues, address state audit compliance evaluation tools and offer a chance for you to ask questions and share knowledge on the audit process.

This event is by invitation only and pre-registration is required. If you did not receive an invitation, check with your state auditor or administrator to ensure they are on the list. For further assistance, please contact us at [info@plan.ucr.gov](mailto:info@plan.ucr.gov).

## State Employee Resources

The UCR Plan site offers guidance to state employees for state performance standards, audit requirements, focused anomaly reviews and more. Visit the [State Employee Resources section of the website to view materials](#). Still have questions? Contact staff and we would be happy to direct you to additional resources.

## UCR Policy Spotlight: Audit Requirements

Participating states are required to perform audits each year on carriers who retreat from one payment bracket to a lower payment bracket, to verify that the company has properly deducted vehicles from its UCR payment. If a carrier neither pays what the state shows it to owe nor justifies its retreat, the state shall, pursuant to the requirements of due process, determine to suspend the carrier's current year UCR registration, pending the carrier's acceptable compliance.

The policy outlining the operations of the financial reserve is [outlined in detail this document](#).

View the [Audit Requirements](#), as well as all of the policies and procedures adopted by the UCR Board of Directors, [in the Policies & Procedures section of the UCR website](#).

## Industry News

### Enforcement Efficiency Awards presented to the states of New York, Kentucky, and Michigan at the 2024 CVSA Workshop

### Port Houston awarded \$26.9 million to reduce air pollution

The Federal Highway Administration announced that Texas was awarded a \$26.9 million

grant for Port Houston's new clean truck program to help reduce air emissions.
