Is Your State Agency Using the UCR Logo?

Please Complete Our License Agreement

In order to protect the Unified Carrier Registration Plan's intellectual property, the UCR Plan closely monitors the internet for cases of trademark infringement in an effort to ensure the UCR name and logo are used appropriately. **Toward that end, the UCR Plan requests that all States using the UCR logo complete a simple license agreement to authorize your use of the UCR name and logo.**

If your State uses (wants to use) the UCR Plan logo, please email aleath@legal.ucr.gov listing your proposed use of the logo and request a copy of the license agreement. Please return a signed copy of the signed license agreement to that same email address (aleath@legal.ucr.gov). Address any questions that you may have about the license agreement to that email address.

UCR Policy Spotlight: Financial Reserve Fund Policy

Due to the unique provisions of the UCR Act, there is a significant risk that administrative operating funds, needed to maintain the Plan, will not be available. A financial reserve fund is both necessary and prudent to safeguard the normal day-to-day operations of the UCR Plan. The Financial Reserve Fund Policy covers liquidity, risk of not obtaining administrative funds, and special or capital projects.
