2024 UCR Enforcement is Active

The UCR Board has recommended states begin enforcement for the 2024 registration year as of January 1, 2024. Carriers that still need to register can [register here](#) and [learn more about registration here](#).

UCR Policy Spotlight: Pending Payments Policy

When a UCR registrant mails a paper check to pay their fee, the registration is not effective until the payment is received and applied, and the registration is made active, in the National Registration System.

This policy outlines the procedures for situations when UCR does not receive the registrant's check.

Industry News

U.S. DOT Announces Funding for Several Truck Parking Projects

"This major investment from President Biden's infrastructure law will build new truck parking facilities and create smart systems to give drivers better information about available spots," said Department of Transportation Secretary Pete Buttigieg.
