## UCR Policy Spotlight: The UCR Handbook

[The UCR Handbook](#) provides authoritative guidance both for the states that participate in UCR and for the businesses that are subject to its requirements. It covers the basic organization of the UCR program, what falls under the authority of participating states, the types of business subject to UCR requirements, and the UCR registration process. It also details how UCR requirements may affect certain specific types of operation and how a motor carrier

should determine the size of its fleet for UCR purposes.
