Audit Training Videos Available for State Employees

State employees can now watch training videos on how to conduct a UCR audit. [The first UCR Audit Training](#) covers the basic elements of the UCR audit process, while [UCR Audit Training 2](#) gives a more detailed, step-by-step approach. Like UCR's other training videos, the UCR Audit trainings can be watched straight through or by skipping to a specific topic. UCR recommends watching the UCR 101, UCR Enforcement, and UCR National Registration System (NRS) videos before watching the audit trainings. All training videos are available in the education and training center.

UCR Admin and Permitting Sites Will Require Two-Factor Authentication Starting Monday, June 20

Beginning Monday, June 20, state employees will be required to use two-factor authentication to access the [UCR admin](#) and [permitting](#) sites. Two-factor authentication adds an extra layer of security to protect your account from unauthorized access by requiring another form of identification in addition to your password (e.g, a code sent to your mobile device).

Policy Spotlight: Fee Change Recommendation Policy

UCR fees are set by the Secretary of the U.S. Department of Transportation based on the recommendation of the UCR Board in accordance with 49 U.S.C. §14504a(d)(7) and (f)(1)(B). Additionally, the Board may ask the Secretary to adjust the fees within a reasonable range on an annual basis per 49 U.S.C. §14504a(f)(1) (E). The Fee Change Recommendation Policy defines the requirements regarding duties and responsibilities, schedule of completion dates and the methodology to be used in determining fee change calculations.
