New Audit Training Module Now Available

A new video module to assist state auditors and administrators with the UCR audit process is now available in the Education and Training Center on the UCR Plan site. Find detailed resources on best practices throughout the audit cycle, and please feel free to contact UCR staff if you have any questions.

Thank you to the UCR Education and Training Subcommittee for their efforts in this new video module.

Operation Safe Driver Week Is July 9-15

The Commercial Vehicle Safety Alliance (CVSA) has announced July 9-15 as this year's Operation Safe Driver Week. This weeklong driver safety traffic enforcement and awareness campaign aims to identify unsafe drivers, deter dangerous driving behaviors and prompt positive driving habits through officer interactions with drivers. Data shows that traffic stops and interactions with law enforcement help reduce problematic driving behaviors.

UCR Policy Spotlight: Incident Response Action Plan

The purpose of the [cyber incident response action plan](#) is to provide a structured and systematic incident response process for all information security incidents that affect any of the UCR Plan's information technology systems, network, or data, including the UCR Plan's data held, or IT services provided by, third-party vendors or other service providers.

[View the Incident Response Action Plan](#) as well as all of the policies and procedures adopted by the UCR Board of Directors [in the Policies & Procedures section of the UCR website](#).

Industry News

Back-Office Job Demand Remains Steady at Fleets

With a lingering labor shortage affecting drivers for several years, fleets are finding that there's a steady growth of job demand for operational support roles usually known as back-office jobs.
