State Auditor & Admin Virtual Q&A: Thursday, April 25

Our next Q&A for UCR state auditors and administrators will take place Thursday, April 25. This forum will help answer your questions on auditing issues, address state audit compliance evaluation tools and offer a chance for you to ask questions and share knowledge on the audit process.

This event is by invitation only and pre-registration is required. If you did not receive an invitation, check with your state auditor or administrator to ensure they are on the list. For further assistance, please contact us.

2024 UCR Enforcement is Active

The UCR Board has recommended states begin enforcement for the 2024 registration year as of January 1, 2024. Carriers that still need to register can [register here](#) and [learn more about registration here](#).

UCR Policy Spotlight: Audit Compliance

Participating states are required to perform audits each year on carriers who retreat from one payment bracket to a lower payment bracket to verify that the company has properly deducted vehicles from its UCR payment.

This policy outlines the procedures if a State fails to meet the audit requirements or audit reporting standards.

Bill Would Give States New Power to Waive Truck Weight Limits

The Modernizing Operations for Vehicles in Emergencies (MOVE) Act expands the circumstances under which the federal government could allow a state to waive federal weight limits along interstate highways for loads “that can easily be dismantled or divided” to include not only natural emergencies involving weather, disease, and wildfires, and other causes but also if supply chains are “substantially impaired in the state, either in terms of slow overall movement, freight traffic congestion, or otherwise,” according to language in the bill.
